

Emerging Staffing Leaders

TAG44 Corporate Staffing

TAG44 has been doing a great job in the staffing world since its inception. A very apt saying, "Experience is the best Teacher", yes we have learnt many things from our past experience. Today, we proudly shoulder the responsibility of providing the perfect staffing solutions.

Shedding the clients botherations and shouldering the responsibility of providing the most effective staffing solutions is what **TAG44** does. We are bridging the gap between the Employers and the Candidate in helping them to enhance better employment opportunities. **TAG44** is a proud member of the American Staffing Association (ASA) and Recruiting Life.

Earning the right to be good at it – comes from a very deep desire to make that perfect match. It comes from wanting to help individuals optimize their career possibilities – it comes from having experienced the issues involved with hiring – specially hiring the right candidate – and trying to make a process that traditionally has been a hit or miss type process into a science, minimizing the art, and stacking the odds in favor of match.

Specialized Staffing Solutions for Specific Business Industries

TAG44 is a One Stop Solution staffing firm for various industries. We provide Flexible and permanent staffing services for hiring organizations and career management for job seekers in the specialty skill areas of:

- Accounting And Finance
- Food and Beverage
- IT / Software
- Automobile
- Manufacturing
- Plastics
- Life Sciences

TAG44 has its corporate Office in Miami – Florida. TAG44 adds a touch of professionalism, pride and integrity in the recruitment process. The Employers recruitment need is given personalized attention, and then the entire process of “head hunting” the best available talent in the market follows.

TAG44 correlates its growth with the client’s growth.

TAG44 offers long time staffing services to assist each candidate and client company.

**Satisfaction does not come
with achievement, but with effort.
Full effort is full victory**

Why Choose TAG44?

There is cut-throat competition in the corporate world. Every single step is crucial, every single minute precious, and, every decision is valuable. In such a scenario, if a company decides for in-house interviewing process, it is very time consuming. We have a database of potential candidates, so we happily shoulder the responsibility of finding the best match for the clients' requirements.

- We Maintain a constant Stream of Qualified Candidates and Potential Job Seekers.
- We Provide Pre-Screened and Scrutinized Candidates to the Employers.
- Delivering the "Best" within the scheduled "Time-Frame" .
- Quick Response to Clients Requirements.
- Employer Access to the "Passive Job Seekers".
- We Provide a Professional who compliments perfectly with the current team.
- We believe in trust, performance and honest communication.
- You pay for the results and not for the efforts we put in.
- We have an offshore team which gives you an added advantage of providing the most cost effective staffing solutions in a stipulated time frame.

Our Work Process

- We do in-depth analysis.
- Find out the company culture.
- Acquire and review the position requirements.
- Establish position profile and hiring process.
- We assign a team to the client.
- The team reviews the client needs.
- The team is trained as per the needs of the clients.
- A search plan is made and search process is initiated.
- The recruiting team develops a list of potential candidates.

**“Excellence is doing ordinary things
extraordinarily well”**

Our Mission

TAG44 strives to change the paradigm of recruitment process by maintaining the quality, instant service and client relationship management. The client and candidates are assured of being connected with genuine people who understand their employment needs. They also know that they have one special staffing representative dedicated for them to find the best fit for their needs.

TAG44 strives hard to achieve perfection in client relationship management.

Our Strength

- TAG44 helps highly skilled job candidates and time-strapped employers find each other
- We are specialized in producing matches that benefit both our job seeker and our client organizations. There is our 24/7 specialized research team, having vast experience in recruitment & industry knowledge.
- They have undergone tremendous training programs and have in-depth knowledge of the industry and have a great experience to lead your requirement.
- At Tag44, over 1,00,000 candidates are registered who are open for great career opportunities.

**The Yummy Food Processed,
need a lot of professionals,
and these professionals are provided by us!**

INDUSTRY EXPERTISE

TAG44 has chosen various industries taking into consideration the background, performance and experience of our executives in their respective fields.

All of our candidates are screened, interviewed, and continually evaluated for job performance. In addition, we utilize the latest computerized skills evaluation and selection techniques to match the best candidate for the client's needs.

Food and Beverages

Basically, there are two key parts to any successful food & beverage business: financial and operational.

We evaluate candidates using a "State-of-the-art" recruiting technique, evaluating them over an unmatched algorithm of scrutinizing. Our Candidates are promising and performance is their passion.

Our sourcing talents exceed the following positions:

- Plant Manager
- Quality Manager
- Production Manager
- Q. A. Manager
- Food Technologist
- Marketing Manager
- R & D Manager
