STAFFING AT ITS BEST

It's all about Growth! Its all about Success! The Healthcare Industry is highly successful!

Healthcare - Improving Health!

Life is a journey with lot of hardships, and oiling the machine called life is what the "Healthcare Industry" does. Beaming with blissful pride the Healthcare sector is standing tall as always. Helping life move smoothly and rectifying the errors occurring in the body, Health care in American English is the treatment and management of illness, and the preservation of health through services offered by the medical, dental, clinical sciences etc. Health care embraces all the goods and services designed to promote health, including "preventive, curative and palliative interventions, whether directed to individuals or to populations.

Healthcare - Booming Sectors!

Health concerns are here to stay; it is a part and parcel of life. There is growing requirement of dedicated professionals in this area. Medical staff recruiting is quite an upcoming sector. 7 out of the 20 fastest growing occupations are health care related. There is an assumption that there would be an addition of 3 million new wage and salary jobs between 2006 and 2016, more than any other industry.

Segments in the HealthCare Industry

The HealthCare Industry consists of the following Nine Segments:

1. Hospitals
2. Nursing and residential care facilities.
3. Offices of physicians.
4. Offices of dentists.
5. Home health care services.
6. Offices of other health practitioners.
7. Outpatient care centers.
8. Other ambulatory health care services.
9. Medical and diagnostic laboratories.

Occupations in the Industry

The Health Care Industry is huge and massive, employing a large number of workers in professional and service occupations. Professional occupations, such as physicians and surgeons, dentists, registered nurses, social workers, and physical therapists, usually require at least a bachelor's degree in a specialized field or higher education in a specific health field, although registered nurses also enter through associate degree or diploma programs.
